

March 2015

Dear Parents,

This month our theme will focus on Dr. Seuss! Dr. Seuss's birthday is March 2nd and it has been adopted as the annual date for National Read Across America Day, an initiative on reading created by the National Education Association. Don't underestimate the importance of reading with your children!

"We've GOT to make noises in greater amounts! So, open your mouth, lad ! For every voice counts!"

-Dr. Seuss

Upcoming Events

The ABA Clinic will be closed on Friday, March 13th for an in-service day. In-service days allow each Supervising Therapist additional time to complete lesson planning for groups, organization and cleaning of the clinic, and development of individual goals for each child. Carpeting in the resource room will also be replaced with laminate flooring while the clinic is closed.

In May, we will be having an art show to display the arts and crafts created by the children in the ABA clinic! Look for more information to come in next month's newsletter!

Important Reminders

In the case of inclement weather, Innovations In Learning may close. You may check cancellations.com for closing information. If Innovations In Learning is open, but your child will not be attending, please remember to call them off by 7:30 am.

The ABA clinic will be closed on the following dates:
