Dr. Harrison is the past president of the Hoosier

Association of Behavior Analysis and a founding member. She has also worked as an adjunct faculty at Valparaiso University. In School Therapy

Of Innovations In Learning

An innovative collaboration

WHO WE ARE?

Innovations In Learning, PC, located in Northwest Indiana, provides behavioral services to adults, children and families. Our agency specializes in the treatment of behavioral and emotional disorders in individuals with Intellectual disabilities. We take pride in using empirically based interventions while continuously monitoring our treatment efficacy. We serve equal numbers of adults and children and approximately 80% of our caseload includes individuals with intellectual disabilities. Our services cross the continuum of care from intensive ABA services to outpatient and group therapy. We have Adult Day Services where adults with intellectual disabilities can participate in a meaningful day program that emphasizes life-long learning. Behavior Management services are available under Medicaid waiver. We also offer outpatient services that include individual, family and group therapies.

To learn more about our quality programs and services, contact us at 219-791-1400 or visit us on the web at <u>www.innovationsinlearning.net</u>.

SCHOOL THERAPY

In 2009, Innovations collaborated with River Forest School Corporation in Hobart, Indiana. We have established a progressive program that allows two of our master's level clinicians to work full-time in the schools providing clinical services, student and staff training, family liaison and other relevant responsibilities at a reduced cost to the schools.
