Dear Parents,

### Upcoming Events

#### Field Day July 24<sup>th</sup>

The ABA Clinic will be having field day on Thursday, July 24<sup>th</sup>! We will have different games and activities set up around the clinic and outside! We will be spending additional time outside on field day, please send sunscreen if you would like it applied. If you have any questions or special requests, please let Mallory know. We would like to invite the parents to participate from 2:00-3:00! Please come join us for games and snacks!

#### Clinic Update

We have had some unexpected changes arise this summer. Amanda Foulke will be moving to her hometown of St. Louis. Amanda has been an integral part of the ABA Clinic team since she started years ago as a Line Therapist. Her skills and dedication will be greatly missed. We wish her all the best!

Jodi Csepiga will also be leaving the ABA Clinic team to join our Behavioral Management team. Jodi's ABA programming skills will make her an important asset to the BMAN team! We will miss Jodi in ABA, but know she is going to make a great Behavioral Therapist!

Allison (Kayden) McAllister will now have a full ABA Supervisor case load. She is looking forward to working with her new team of children and Line Therapists!
