### ABA Happenings

This month comes with new faces to ABA. We are saying good bye to ABA Supervising Therapists, Courtney McCann and Sam Crnokrak. We will miss them here in the clinic, but wish them well in their new career pursuits. Coming to ABA are BCBA's Shenley Seabrook and Sarah Hardison. They are both long time employees of Innovations and come with a lot of experience. They are both excited to meet their new clients and families.

We also have new line therapists beginning this month; this may mean that your child will have a new line therapist.

Please help us welcome all the new faces around the clinic.
