7/28: No outing

Programming

This month's theme is "America the Beautiful". We are going to be learning about the history of our country; including presidents, historical landmarks, and symbols. This will allow the clients to learn about the importance of Independence Day through information and fun activities.

Growing Piece

Remember, we have greeting cards for sale. They come in assorted packs of eight for only six dollars. If you would like to purchase a pack of cards you may do so at the front desk or you may send in your money.

Our veggies are coming in, and we are really excited! Very soon, fresh produce right from our gardens will be available for purchase.

Also, please note that the classrooms go outside weekly (weather permitting) to work in the gardens. The classroom schedules are as followed:

Leap: Monday

Shine: Tuesday and Thursday

Stride: Wednesday and Friday

Fourth of July Party

We will be taking a break from program on Friday, July 1st to celebrate the Fourth of July. This will be a fun filled day with many outdoor activities. Innovations will be providing hot dogs and lemonade for lunch; however we are asking that clients bring in everything else. Each room has been assigned a dish to bring as followed:

Life: Side dish

Shine: Side dish

Leap: Dessert

Stride: Appetizer

Innovations will be closed July 4th, 5th, & 6th in observation of Independence Day, as well as annual staff trainings. We will return on Thursday, July 7th. We hope everyone has a fun holiday. Please be safe!

Medical

Please be aware how important it is that **ALL** medications, whether they are over-the-counter or prescription, need to be brought into the office to be checked in by Ria, our nurse. It is very dangerous to carry any kind of medication on your person or in your bags. When carrying medication in your bags, it may fall out; which can lead to someone finding it and eating it. So if you need to bring in medication of any kind, please bring it to Ria and get a med receipt.

Please remember to bring in sunscreen with your name on it. Anything that you may have brought in last year has been thrown away, due to expiration. Please be mindful that clients cannot share sunscreen with others.
