6/16: Washington Park Zoo
(\$1.00 and bring a sack lunch)
6/23: No outing/Rain date for Zoo
6/30: No outing

Programming

This month's theme is "Cool Fun in the Sun". We will be learning about the different tropical areas, like the Rainforest, and the many types of plants and animals there are within these areas. Mark your calendars; we will be taking a break from regular programming on Friday, July 1st for a Fourth of July celebration. Bring your sunscreen.

Growing Piece

Remember, we have greeting cards for sale. They come in assorted packs of eight for only six dollars. If you would like to purchase a pack of cards you may do so at the front desk or you may send in your money. Also, please note that the classrooms go outside weekly (weather permitting) to work in the gardens. The classroom schedules are as followed:

Leap: Monday
Shine: Tuesday and Thursday
Stride: Wednesday and Friday
Please make sure that we are sending in sunscreen (with your name on it) and dressing accordingly on these days.

Family Meeting

Please join us for our annual family meeting on June 15th from 5:30pm until 6:30pm. We will be talking about what's happening here at program, as well as we will be talking about the Growing Piece, and we want your feedback!

Family Picnic

Our family picnic will be on Friday June 24th from 2-5pm. All clients will need to be picked up at the normal 3pm time; however if family or caregivers want to stay with the client until 5pm to enjoy the festivities, they are more than welcome! RSVP by Friday, June 17th and please bring a side dish and chairs.

We are closing at 2 pm on Friday June 10th, due to our Innovations Company Meeting. Please make sure that whoever is picking up that day is on time. Our Innovation's transportation will be leaving at 2pm that day as well. Also, we will be closed July 4th, 5th, and 6th.

Medical

Please be aware how important it is that **ALL** medications; whether they are over the counter or prescription need to be brought into the office to be checked in by Ria, our nurse. It is very dangerous to carry any kind of medication on your person or in your bags. When carrying medication in your bags, it may fall out; which can lead to someone finding it and eating it. So if you need to bring in medication of any kind, please bring it to Ria and get a med receipt.

Please remember to enter the parking lot through the Virginia St. entrance and exit through the 83rd St. exit. Also, please be mindful of your speed when driving through the parking lot.
