Programming

We will be moving away from the monthly themes. We will however take time to talk about what we are thankful for. It seems so simple to be thankful during this time of year. What we must remember is to be thankful every single day. No matter how stressful life can feel at times, it is important to find something to be thankful for, no matter how small that something might be.

Program is from 9am until 3pm. We open the doors at approximately 8:52am to begin the day, and at approximately 2:52pm to end the day. Programming formally finishes at 3:00pm. It is important that everyone arrives on time and is picked up on time. The attendance policy will be strictly enforced. All issues will be addressed as they arise.

Just a reminder that the Growing Piece will has greeting cards available for purchase. Don't forget us for all of your holiday card needs. We also have a selection of basic greeting cards for every occasion. We will have a booth set up at the Growing Piece Fund Raiser on November 6th. Come check us out!

We would like to welcome two new team members: Matt Vaughan and Leeann Kesler. Both are busy getting familiar with the program and clients and will soon be diving into the day to day activities of the program. We are happy to have you both. Welcome to our
